December 27<sup>th</sup> - January 3<sup>rd</sup>.

Swimming Canoeing Snorkelling Fishing Learning

Winter break will never be the same...

Talisman's Holiday TOBA programs provide an adventurous winter break experience for our campers ages 13-17. The one week trips take campers to exciting locations in the Florida Keys! During Holiday TOBA, campers participate in numerous adventures, including snorkelling, paddling, historical tours, and camping.

This program is designed for boys and girls ages 13-17 who would benefit from a challenging adventure in a small group (6-8 kids, 2 staff) with a focus on communication and cooperative living skills. Daily goal-setting and evaluation, problem-solving discussions and guidance in decision-making help to build self-reliance and a sense of responsibility to the group. Mastery of paddling and camping skills encourage increased self-confidence. Whether it is the natural beauty of Corral Reefs, or the fascinating history of island life, the Florida Keys provide the optimal environment for learning, challenge, and most importantly- Fun!

...but then again, neither will you.

Spaces are Extremely Limited.
